Пояснительная записка

Методический материал подготовил **Пашенко В.А., учитель английского языка МБОУ СОШ №3.**

Представленные контрольно-измерительные работы для учащихся 5 класса написаны к учебнику «Rainbow English. 5 класс: учебник для общеобразовательных учреждений» /О.В. Афанасьева, И.В. Михеева, К.М. Баранова. – М: Дрофа, 2013.-136 с. (1 часть) и 176 с. (2 часть). Материал содержит задания по разделам: **«Семейная история» (1 часть), «Здоровый образ жизни» (1 часть), «После школы» (2 часть), «Всё о России» (2 часть).**

На выполнение заданий к обобщающим урокам отводится 40 минут.

Целесообразность проведения таких тестовых работ вызвана необходимостью проверки уровня усвоения материала учащимися.

Все правильно выполненные задания оцениваются в 1 балл.

Рекомендуется использовать гибкую систему оценивания результатов тестирования, при которой ученик имеет право на ошибку:

80% от максимальной суммы баллов – оценка «5»

60-80% - оценка «4»

40-60% - оценка «3»

0-40% - оценка «2»

I. Read the text and please answer the questions:

At school

Ceiling-потолок

Wall- стена

This is our classroom. It is light, clean and large. The room is nice. Its ceiling and walls are white, its floor is brown. There is one door and three windows in it. When it is warm, they are open. When it is cold, they are shut. The door is always shut when we have our lessons. There is a blackboard on the wall. We write on it. On the blackboard there are some words. They are English words. We read them: "We want to know English." We sit on chairs in front of desks. The desks are nice and green. The teacher's desk is near the blackboard. There are not many pupils in our class. There are only seventeen in it. Today fifteen pupils are present, two are absent. We learn many subjects at school. They are: Russian, English, history, literature, mathematics, physics, chemistry, biology, geography and physical training (or PT).

The questions:

1. What colour are the ceiling and walls?
2. How many windows are in the room?
3. Where is the blackboard?
4. What colour are the desks?
5. When the windows are open?
6. What subjects do we learn?

There are many big and small libraries everywhere in our country. They have millions of books in different languages. You can find there the oldest and the newest books.

Every school has a library. Pupils come to the library to take books on different subjects.

The school library where Oleg studies is good. It is a large clean room. There are four big windows in it. The walls are light blue. There are a lot of shelves full of books. You can find books on literature, physics, history, chemistry, geography, biology and other subjects. There are books in English, too. On the walls you can see pictures of some great writers and poets. On the table near the window you can always see beautiful spring and autumn flowers.

Oleg likes to go to the library. He can always find there something new, something he needs.

The questions:

1. What libraries are in the country?
2. What books can you find ?
3. How many windows are in the school?
4. What colour are the walls?
5. Does Oleg likes to go to the library?
6. What can you find on the table near the windows?

II. Translate the words from English into Russian:
